Shemilyah Brown

To my dear daughter...
As you stride with integrity, and pride allowing your self respect to show, you rise into life duplicating my glide, so your moral guided steps will glow.
She is me, and I am her, together we represent a premeditated elegant team, that slide with the scheme of a well greased machine...Accepting nothing less than the best, I pray that you're blessed beyond your wildest dreams, a daughter who is a Heaven sent representation of a princess transitioning into a Queen.

Poem by Larry Quinney dedicated to Shemilyah Brown

The first thing, I want you to know is how extremely proud I am of you! You have blossomed into a beautiful, intelligent, determined, fearless, hard-working, kind, and humble young woman.
We (family) believe in you and we know that you will accomplish all your dreams and goals. We love you from the bottom of our hearts!! Continue to stay grounded in your faith, and follow your heart.

Poodles,

From the moment we discovered there were two of you, it has been a wild ride. We have been blessed beyond measure. You both are as beautiful on the inside as you are on the outside. We know you will each take separate paths but take comfort in knowing you will always have each other. We can't possibly put into words how proud we are and cannot wait to see the next chapter in your lives. Remember.....take one step at a time and there is nothing you cannot do and all the hardships getting there are temporary. We love you to the moon and back.

Sophia Wheeler

Dear Sophia,
Your beliefs, actions, commitment, and passion for discovering new things in life are resolute. We have cherished every moment watching you grow up to become such an amazing person that words are lacking to properly describe you-it would be infinite! What have you brought to our lives? ABSOLUTE PURE JOY! We witnessed all the obstacles with your health issues, and the insurmountable determination you chose to not only just do, but to do so much more. You pushed yourself to achieve at such high levels, and we saw that drive in you that will carry you through any and everything in the future. Speaking your mind, sticking up for people in need, always being there for and supporting your friends, being a caring, loving sister and daughter, are such tremendous characteristics you hold and which we greatly admire. Congratulation's sweetie, on your graduation, we are so very proud of you.
So, reflect with fond memories as you continue forward to achieve your dreams and create your own destiny-its going to be spectacular!
Love,
Mama, Dad, and Troy
